FOR IMMEDIATE RELEASE

SEVENTH CO-DEFENDANT SENTENCED IN ST. JOSEPH METH CONSPIRACY

KANSAS CITY, Mo. – Todd P. Graves, United States Attorney for the Western District of Missouri, announced that the seventh, and final, co-defendant was sentenced in federal court today for his role in a northwest Missouri methamphetamine conspiracy.

Charles J. Schenecker, 68, of St. Joseph, Mo., was sentenced by U.S. District Judge Nanette K. Laughrey this afternoon to four years and three months in federal prison without parole.

On Nov. 6, 2003, **Schenecker** entered a nolo contendere plea to being in possession of anhydrous ammonia, knowing that it would be used to manufacture methamphetamine.

Schenecker is one of seven co-defendants who have been sentenced for participating in the St. Joseph methamphetamine conspiracy.

Scott Adkins, 37, of St. Joseph, was sentenced on Jan. 9, 2004, to two years and 11 months in federal prison without parole. On Sept. 26, 2003, **Adkins** pleaded guilty to possessing glassware knowing that it would be used to manufacture methamphetamine. **Adkins** admitted that he possessed the glassware between Nov. 1, 2001, and Feb. 1, 2002. **Adkins** admitted that he utilized the Pyrex dishes in order to assist in the manufacture of methamphetamine at 1814 ½ Jones St., in St. Joseph.

Larry A. Pierce, 48, of Mound City, Mo., was sentenced on Jan. 8, 2004, to 14 years in federal prison without parole for his role in the methamphetamine conspiracy. On June 30, 2003, **Pierce** pleaded guilty to illegal possession of anhydrous ammonia, knowing that it would be used to manufacture methamphetamine, and being a felon in possession of a firearm. **Pierce** admitted that he was in possession of anhydrous ammonia on Feb. 1, 2002. **Pierce** also admitted that he was in possession of a Full Metal Jacket .22/.45 caliber Derringer over-under double-barrel

handgun on Nov. 29, 2001. Under federal law, Graves explained, it is illegal for anyone convicted of a felony to be in possession of any firearm or ammunition. **Pierce** has a 1997 criminal felony conviction for being a felon in possession of a firearm, a 1997 criminal felony conviction for distribution of methamphetamine, a 1980 criminal felony conviction for bank robbery and a 1975 criminal felony conviction for burglary.

David E. Skouby, 39, of St. Joseph, Mo., was sentenced to seven years in federal prison without parole. On June 5, 2003, **Skouby** pleaded guilty to his role in the methamphetamine conspiracy. He admitted that he aided and abetted others in the manufacture of methamphetamine between Jan. 26, 2002, and Feb. 2, 2002.

Harvey E. Smith, Jr., 27, of St. Joseph, was sentenced to seven years in federal prison without parole. On July 30, 2003, **Smith** pleaded guilty to possessing anhydrous ammonia on Feb. 1, 2002, knowing it would be used in the manufacture of methamphetamine.

Joseph B. Goin, Jr., 45, of St. Joseph, was sentenced to nine months in federal prison without parole. On Jan. 9, 2003, **Goin** pleaded guilty to intentionally maintaining a place of residence for the purpose of manufacturing methamphetamine. **Goin** admitted that from Nov. 1, 2001, until Feb. 2, 2002, he housed a methamphetamine lab at his residence, located at 1814 ½ Jones St., in St. Joseph.

Mark E. Schenecker, 43, of St. Joseph, was sentenced to seven years and three months in federal prison without parole. On April 24, 2003, he pleaded guilty to possession of anhydrous ammonia knowing that it would be used to manufacture methamphetamine. **Schenecker** admitted that he possessed the illegal chemical on Feb. 1, 2002.

This case is being prosecuted by Assistant U.S. Attorney Michael S. Oliver. It was investigated by the Buchanan County, Mo., Drug Strike Force and the Drug Enforcement Administration.
